

Ashwinkumar Chavan

UI/UX Designer | Developer

UI/UX Designer & Developer with 2+ years building design systems, with hands-on experience shipping mobile and web products from research to release. I bridge design and code to build intuitive, accessible interfaces and scalable design systems. At Newprinthub, my work has lifted customer retention by 25% and helped the team ship 30% faster against sprint estimates. I currently live in Pune, India.

Work Experience

Newprinthub.com | UI/UX Designer May 2024 - Present

- Redesigned the client onboarding flow using design thinking and usability testing, increasing customer retention by 25%.
- Streamlined UI components and rebuilt navigation paths, improving app user retention by 20%.

Inrowmek.com | UI/UX Developer Oct 2023 - April 2024

- Authored design documentation and a reusable Figma design system, cutting design-to development handoff time by 40%.
- Designed responsive, WCAG-compliant UI components for mobile and web using Sketch and Figma.
- Created marketing assets including social media graphics and Adobe Illustrator brand illustrations.
